

Date of transaction	Initials & DOB	1 <sup>st</sup> half of Postcode	Gender M/F	Ethnicity	Structured treatment? Y/N	Collecting for:	Housing status	Substance currently injecting	Bins	Foil	Naloxone dispensed? Y/N	Reason naloxone declined?	Long blue pack	Short orange pack	1ml fixed pack

**Collecting for either: Self = S, Self plus other = SPO, Other = O, Partner = P**

**Structured treatment: Currently on OST/MAT (Yes/No)**

**Housing Status either: Homeless (Temporary Accommodation) = H, Owner/rented = O, Roofless (Sleeping Rough) = R**

**Reason Naloxone declined either: Already has a kit = A, Don't want kit = D, Not at risk = N, Someone in group has kit = S, Stay in accommodation with a kit e.g. hostel = H, Won't wait = W**

Give one of everything, for e.g. – 10 syringes + 10 needles = 10 pots + 10 waters + 10 citric or Vit C + 10 wipes.  
 Extra needle heads should be encouraged in case of missed hits. Check how many times daily injecting, ensure enough IEP given.  
 Foil & Bins should always be offered and encouraged. When detailing no. of Bins also note = L or S (Large or small) Foil = S or R (sheet or roll).  
**If the individual has no naloxone, staff must ensure a kit is given.**  
 Blues = groin. Oranges = legs. Greys = hands/feet. 1ml fixed = arms. For sub-cut/skin popping use 1ml fixed.
